Dear Svetozar!

Your general contractor company "Unikraft Ltd" has been cooperating with "DOMODEDOVO CONSTRUCTION MANAGEMENT" since the year 2000.

During this time the company has established itself as a reliable business partner that can accomplish all tasks regarding the construction and reconstruction of Moscow Domodedovo Airport.

The highly qualified staff of managers, engineers, technicians and workers, equipped with all necessary tools and machinery, a good logistics base, availability of licenses for all types of construction, finishing and engineering works make the "Unikraft Ltd" amajor general contractor, capable of turnkey construction of any facilities for any purpose with the highest work quality.

We sincerely hope for further fruitful cooperation.

Deputy,  
Managing Director

Kazantsev A.V.
